

There's nothing like finding a great book on prayer, because it will:

1. Remind us God loves to hear from us.
2. Help us discover more effective ways to bring our requests to God.
3. Teach us how to have a deeper relationship with God.
4. Double as a daily devotional.
5. Help us find peace and comfort in difficult times.
6. Teach us how to pray for others.
7. Teach us how to trust God more.
8. Teach us how to better walk with God.
9. Encourage us through the author's testimony.
10. Show us how to live life in God's presence.
